### For your Wedding Holiday:

## We can suggest you some trips and experiences .. for a very unforgettable Wedding travel :

Montegridolfo	The "village of Brides" is a charming and fascinating medieval castle, which appears completely restored and elegant. The centre is fully protected by high walls with only one access under a big tower from 13 <sup>th</sup> century.
Montefiore	The biggest Fortress of Malatesta Seignory called "the Balcony on the Adriatic Sea" for the amazing panorama that we can see form the top of the tower. A very nice historical centre with a precious Italian style Theatre and a Church with a crucifix of XII century.
Ravenna	An important City of Art rich in history, charm, culture: It was a capital of the Western Roman Empire, and today is part of UNESCO World Heritage Site. Visit of the Byzantine Mosaics, the Cathedral of S. Vitale and the town centre with Piazza del Popolo and the Funeral Monument dedicate to the greatest poet of Italy: Dante Alighieri.
o delle Fosse - Mondaino	A charming place where art, flavours and poetry are mixed together in a ancient Oil Mill. It is the precious place where is produced the delicious "Fossa Cheese". Meeting s with the

Mulino delle Fosse - Mondaino It is the precious place where is produced the delicious "Fossa Cheese". Meeting s with the producers and tasting of different kind of cheeses and other typical products.
