

„Malatesta and Montefeltro Bike Tour“ is a journey through the provinces of Rimini and Pesaro.

We start on the wonderful coast of Romagna and go through the less-known but impressive hills of the region Marche. In our Countryside there are many interesting ancient villages, many castles and wonderful palaces to visit.

This area is dedicated to the Malatesta and Montefeltro Lords who ruled the Middle Ages and Renaissance, and have left their mark on all the medieval towns. Explore the countryside, admire the most powerful fortresses in Montefiore Conca, Urbino and San Leo, the Roman bridge and the Arco d'Augusto in Rimini, the medieval towns of San Marino, Gradara, Urbania, etc. And do not forget the culinary regions such as the pleasures of wine, cheese, oil, honey, truffles, chestnuts, fish and handmade pastas.
